**Patient instructions for FDG scans (for all others, the patient should call) and answers to FAQ’s:**

- Nothing by mouth except water for 6 hours prior to your exam (no gum, mints or food of any kind).
- Water must be non-flavored and you may have as much as you like.
- Limit sugar and carbohydrates 24 hrs prior.
- Take all of your morning medications with water. No diabetic medication or insulin 6 hrs prior.
- We are located in the Payne Building on the Sacred Heart campus; use valet parking (there is NO charge) either at Heart and Vascular, or at the Bayou Parking Garage.
- Visit us online for patient forms, a map and more information.
